Sir:

Responsive to the Notice of Allowability, which was mailed on January 21, 2004 and the Supplemental Notice of Allowability, which was mailed on April 1, 2004, enclosed herewith is a replacement sheet 1 of the formal drawings for the above referenced application. This drawing includes the proposed change in the Amendment filed November 25, 2003, which has been approved by the Examiner in the Notice of Allowability.

The issue fee for the subject application is also being filed concurrently herewith. For the record, the Issue Fee Transmittal incorrectly recites that the Applicant is not entitled to small entity status. On the contrary, the Applicant is now and has always been entitled to small entity status as indicated in the filing receipt mailed July 24, 2001.

Respectfully submitted,
By: William A. Blake
